

The background of the image is a vast desert landscape at sunset. The sun is low on the horizon to the left, casting a warm, golden glow across the sky and the rolling sand dunes. The sky is a mix of orange, yellow, and light blue, with wispy clouds. A network of thin, white lines connects various points across the upper right portion of the sky, resembling a constellation or a digital network. The sand dunes in the foreground are smooth and undulating, with some small, dark shrubs scattered across them.
