

The background of the image is a surreal, alien landscape. The sky is a deep, dark blue, filled with numerous small, white stars. Two prominent auroras are visible: a vibrant cyan one on the left and a bright magenta one on the right. The ground is a dark, rocky terrain with several jagged, dark mountains in the distance. The overall color palette is dominated by deep blues, purples, and magentas, with the glowing auroras providing a strong contrast. On the far left and right edges, there are faint, glowing circuit-like patterns in cyan and magenta, respectively, suggesting a technological or digital theme.

The best control is self-control.
